

ANNUAL REPORT

“Whatever you vividly imagine, ardently desire, sincerely believe and enthusiastically act upon must inevitably come to pass.”

-Paul J. Meyer

The beauty of a butterfly fascinates its viewers, but one rarely admits the time's such butterfly has faced for reaching such delightful beauty.

The constant changes occurring in our lives changes is a guiding force and it guides us towards our dreams, in the process teaching us that hard work is indeed the key to success.

In Jain Global School, Rudrapur it is believed that every individual has a lot of potentials, and with its realization, wonders can be accomplished. Therefore, it is appropriate to say that the future of the world starts here. The session of 2019-20 was an awesome year, and I consider it a moment of pride to showcase to you all the achievements and development that the school, staff, and students undertook.

The school currently has a strength of 149 students, 13 academic staff, 3 administrative staff and 10 multi-tasking staff.

Vision determines directions of effort and prioritizing deployment of resources at our disposal, and our vision is to make our school one of the best schools of our country by providing 360-degree education to our students through best in class academic facilities and churn out citizens who are inspiring leaders with a humane touch.

Excellence in academics is the hallmark of a good institution and the students in all classes are performing exceeding well and the achievement graph of students is going high.

Teachers Empowerment Programs:

JGS believed in the philosophy that all humans are learners, hence Teachers are also learners. Therefore, staying updated with worldly affairs is determining affairs especially, in the field of education. Our teachers constantly strive to stay updated by attending workshops & various training Programs.

Our teachers also attended workshops conducted by Sri Aurobindo Society focussing on the importance of integral education and teaching techniques.

Student Achievements:

The competition is not only among the fellow students of Jain Global School, among the other schools where Jigsites strives to be better than the rest. They need to extend their boundaries and emerge as victors among other students of India.

Co-Curricular Activities

By providing a conducive and encouraging environment, the students are mentored to participate in a variety of intra and interschool activities/competitions. It enables the student to grow in confidence, knowledge & enhance their all-round development.

Some of the co-curricular activities for Primary are outlined as follows:

New Initiatives

With gaining knowledge and conducting contests, many events are celebrated. These events are not only educational but also fun. Some of the initiatives taken this year include:

1. Letter to Parents- A letter is written to parents on days identified as important days by the United Nations and information about the importance of such days is mentioned in those letters and the parents are urged to discuss the information mentioned therein with their students and help them become a responsible and informed citizen.
2. Word of the Day- The “Word of the Day” initiative includes the very thoughtful process, and age-appropriate word is identified and is being taught to students of primary and middle school. The words are different for all classes and these words help students enhance their vocabulary.
3. Monthly Assessment Report: A monthly assessment report is sent to parents, as the name suggests every month. The report includes a comparative detail, graphically mentioning the performance of a child in each subject every month.

Events Cutting Across Groups

To improve upon and inspire an individual is great, but greater still is inspiring a group, and with this in our mind, we organize Parent Orientation and, open house PTMs and regular PTAs.

School Improvement Programs

Constant improvement is the key to success. In this endeavor, we have introduced a few infrastructural and other developments:

1. Chalkboards stones are placed in all the pillars near Pre- Primary classes.
2. Permanent Aaya in pre-primary classes
3. Water Purifier
4. PA System
5. CCTVs throughout the campus
6. GPS in all school transport

Conclusion

To conclude, this year, we all took a collaborative step towards our vision, and while one step was taken, many more are to go, and it is certainly achievable.
