Please activate student account

DEEPRAJ

Password *

.....

Password Strength: **Strong**
Please enter the password for your student login

DONE

The username for the student account will be your ward's admission number

Add password and the click **DONE**

f. You will receive a mail notifying you that the student account has been activated

LOGIN CREDENTIALS

Dear Parent,

You have successfully activated your child DEEPRAJ's school's account. To login please [click here](#) and use the below credentials.

Username: 2955
School Code: javidint

Powered by [NextERP](#)

The student login credentials will also be available in the mail.

You can also take help from the Chat Feature on the login page.

A chat button has been introduced on the login page of NLP. It is placed at the bottom right corner of the page. Let us see how you can use the same to get help for account related queries.

For any other query and login related issues you can also use the chat button.

The screenshot shows the 'School Next' login interface. At the top right is the 'Next LearningPlatform' logo. Below it, the text 'SIGN IN' is centered. Underneath are three circular icons representing 'Student', 'Parent', and 'Staff'. At the bottom right, there is a 'Need help? Go to Help Center' link and a green chat icon. A yellow callout box with a black border points to the chat icon, containing the text: 'You can click this chat icon to get help while activating or logging in to your account.'

A chat box will appear where there will be options to access account specific login guides as well as a help button.

This screenshot shows the same 'School Next' login page as above, but with the chat box open. The chat box is a dark grey overlay with a white header 'Chat with us'. Below the header, there is a message: 'Looks like you are having trouble login in. Can I help you?' followed by a 'Yes, please help me.' button. Underneath, there is a section titled 'FAQ Categories' with a search icon. It lists 'Parent Login Guide' and 'Student Login Guide', with a 'Show all categories' link at the bottom.
